TEACH US ABOUT: HIGH SCHOOL MUSICAL.

High school musical is an American youth film for television, originally released on January 20, 2006 on Disney Channel 1 and directed by Kenny Oretaga.

It was released with low expectations, but it reached enormous audience levels and managed to win two Emmy Awards, which made it one of the most successful Disney Channel original movies.

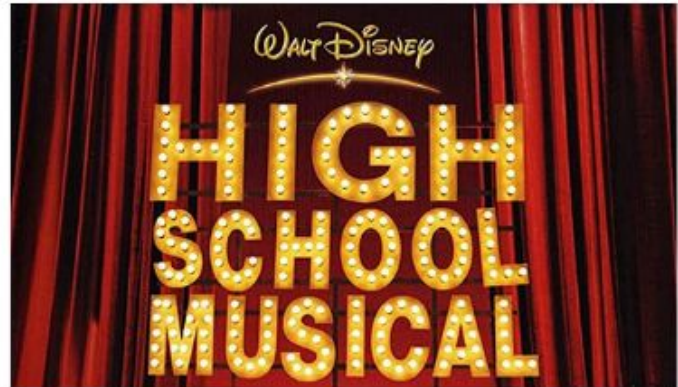

It also marked the career and recognition of its six main protagonists: Zac Efron, Vanessa Hudgens, Ashley Tisdale, Lucas Grabeel, Corbin Bleu and Monique Coleman.

Synopsis

The story follows Troy Bolton, a high school athlete in a small-town, who falls for nerdy beauty Gabriella Montez at a holiday karaoke party.

When they return to school the following year, Troy and Gabriella audition for the upcoming musical.

Both Troy and Gabriella must struggle to make it to auditions for the musical while also meeting their existing obligations to the basketball team and the academic decathlon.

NEWS: NETFLIX'S WEDNESDAY.

The Netflix original series Wednesday has become a worldwide phenomenon in recent months and will be back for a second season.

The series was planned as a limited story of eight chapters in the first season, but the overwhelming success and the great reception from the public have caused the series produced by Tim Burton and starring Jenna Ortega, to be renewed. The students from 6th primary recommend you to watch Wednesday on Netflix, it's our favourite series!

NEWS: DRESDEN TREASURE HEIST.

On 25 November 2019, royal jewellery was stolen from the Green vault museum within Dresden Castle in Germany and miraculously just a month ago they were recovered. Thirty-one of the items are now back in the museum after being seized by Berlin authorities, after being told the location by the lawyers of the six suspects in custody. A spokesperson from the Green Vault museum released this statement: "It is a Christmas miracle, because 31 pieces of the very valuable collection have returned to us". Not all of the items have been found, however. An epaulette which includes a precious stone known as the Dresden White Diamond is still missing.
